

MANAGING YOUR APPLICATION

for Changing from Dependant Visa to Employment Visa

The receipt card that Immigration Department gave to you when you submitted your dossier contains your case reference number

The reference number needs to be quoted anytime you correspond with the Department

Whilst not encouraged, you can make phone enquiries. The contact details for the responsible officer can be found in the correspondence you will receive from the Immigration Department

You can now submit any further documents or make enquiries using the reference number supplied

You should respond quickly to any queries. Your application will be stalled until they hear from you

The application can be tracked through the Immigration Department online system
